[†] - Based on per 100 cubic feet or fraction thereof.

² - Or smaller

- One-time charges of \$15.00 (new account set-up fee) and \$10.00 (dispatch fee for beginning read) will be billed on the first statement.
- Statements are mailed out at the beginning of every month, with payment due upon receipt, and past due after the 16th.

Establishing Service:

- Service and supply of water shall be rendered only after the signing of an application by the prospective customer. As part of the application, the prospective customer must complete a cross connection survey for the application to be considered complete.

Termination of service:

- Service will be discontinued upon the customer giving the utility written notice prior to the date of disconnection. The customer will be held responsible for all charges accruing prior to the date specified in the notice, or in case of failure to give notice, then until the water is turned off.

Change of Use:

- The customer will not increase OR change his or her demand or use of service as stated in the customer's application without giving due notice of such increase. In the event of such increase, the customer will be required to pay the utilities regularly published rated for such increased service and demand from the date of connection and use of the same.
- Whenever the customer desires to discontinue the use of water for any special purpose or through fixtures mentioned in the original application, the customer shall cause the fixture to be removed and the branch pipe or service supplying the same to be capped or plugged and shall notify the utility in writing before any reduction in charge will be made. Such a reduction in charge is contingent upon the provisions of the tariff.
- The applicant specifically agrees to install and maintain at all times their plumbing system in compliance with the most current edition of the Uniform Plumbing Code having jurisdiction as it pertains to the prevention of water system contamination and prevention of pressure surges and thermal expansion in their water piping.
- Further, the applicant agrees not to make a claim against Rainier View Water Company, Inc or its agents or employees for damages and/or loss of production, sales or service, in case of water pressure variations, or the disruption of the water supply for water system repair, routine maintenance, power outages and other conditions normally expected in the operation.
